# Commencement of Addon courses

**Date: 11-01-2024 Time : 12 to 1 PM**

Organising department: Physics  
Course Coordinator : Dr. JIJ I S. G.  
(Mob: 9497851685 )  
Venue : Physics Department

Organising department: Botany  
Course Coordinator : Dr KAVITHA C.H.  
(Mob:9847569995 )  
Venue : Botany Laboratory

Organising department: English  
Course Coordinator : Dr. Padma Chandran  
(Mob: 9447321596 )  
Venue : Department of English

Organising department: Mathematics  
Course Coordinator : Dr. DILIP D. S.  
(Mob: 8111907170)  
MS.NEETHU THOMAS - 9747978331  
Venue : Computer Laboratory

LET YOUR LIGHT SHINE BEFORE MEN

## Department of Mathematics 2023-24

### Courses Offered

- Certificate Course: Basics in Python
- Add-on Course: Typesetting in LaTeX
- Value Added Course: Advanced LaTeX

<https://stjohns.ac.in/academics/departments/mathematics-statistics/>

## Department of Chemistry, St. John's College Anchal

### Certificate Course: "Analytical tools for industrial processes"

The Department of Chemistry, St. John's College Anchal is offering a 50-hour certificate course in "Analytical tools for industrial processes". This certificate course is industry and research-oriented programme to attract more chemistry-based industries in to our college for campus placements.

#### Eligibility requirement

Undergraduates with Chemistry as major or optional subject.

**Course Start Date: 02<sup>nd</sup> May 2023**

#### Course Content

- ❖ *Chromatographic methods for purification of organic compounds*
- ❖ *Spectroscopic methods for organic compound analysis*
- ❖ *Electrochemical analysis for sensing, hydrogen evolution and corrosion analysis*
- ❖ *Analysis of pesticides, soaps, detergents and fertilizers*
- ❖ *Systematic Food analysis*
- ❖ *Pharmaceutical compounds analysis*

#### Hands own practice on

HPLC, TLC, GC, Impedance analysis, Tafel analysis, Cyclic Voltametric analysis, Chronoamperometric analysis, LSV analysis and UV spectroscopic analysis.

**Data processing of XPS, TEM, XRD, BET, Electrochemical analysis etc.**

#### Infrastructural Facilities

Worldclass research lab

Classroom with multimedia projection

24x7 wi-fi facilities

Researchlab with HPLC, GC, Electrochemical workstation, AAS, UV –Visible spectroscopy, PH meter, Turbidity meter, Conductimeter, Potentiometer etc.

Central library and INFLIBNET services

### **Academic Excellence**

Experienced and highly qualified teachers

Well equipped laboratories

Ph.D. programmes

### **Other Facility**

Student placement Cell

Student association

### **Campus placement**

Department of Chemistry is interacting to provide placements after successful completion of the course in reputed industries and research organizations

### **Application and Admission**

The application form can download from the college website and filled application is submitted to email [chemistry@stjohns.ac.in](mailto:chemistry@stjohns.ac.in).

For any queries please contact Course coordinator:9995767819

## Department of Chemistry, St. John's College Anchal

### Add-on Course "Software Tools Essential for Chemical Sciences"

The Department of Chemistry, St. John's College Anchal is offering a 50 hour Add-on course in software tools essential for chemical sciences. It is an entire essential software learning package for chemistry scientific paper writing / project writing.

#### Eligibility requirement

B. Sc. With Chemistry as major or optional subject and must have obtained a minimum of 80% of marks in aggregate/optional subjects put together from all the years.

**Course Start Date: 04<sup>th</sup> December 2023**

#### Course Content

SCIENTIFIC GRAPHING(5hours)

Softwares for communication and publication of scientific documents

Structure Drawing Softwares

Online resources for research

Reference managing softwares/Introduction to Citation Management

#### Infrastructural Facilities

Worldclass research lab

Classroom with multimedia projection

24x7 wi-fi facilities

Researchlab with HPLC, GC, Electrochemical workstation, AAS, UV –Visible spectroscopy,PH meter, Turbidity meter, Conductimeter, Potentiometer etc.

Central library and INFLIBNET services
