LETTER OF COLLABORATION

This is to state that Centre for Electoral Studies (CES), Thiruvananthapuram has entered into a collaboration with Department of Political Science & Public Administration, St. John's College, Anchal in connection with Kerala Legislative Assembly Elections, April 2021. Fifteen students of St. John's College worked as field investigators in the Pre and Post Poll surveys. The work involves conducting in-depth face-to-face interviews of selected respondents and coding the collected data. The students were given training by the faculty of St. John's College and the resource persons affiliated to CES. The expenditure incurred for the Election Study was borne by CES. Further avenues for collaboration in the future will be explored by both parties.
