PAPER CRAFT MAKING TRAINING

In order to foster creative thinking and make the students deviate from phone addiction a work shop on paper craft making was initiated by the women's cell. The first class was taken by Ms. Swathi of Malayalam Department. The program was attended by many students, the materials for the hand work was provided by the women's cell. They participated with great enthusiasm and the products made by them were gifted to them. The message of utilizing time by there activities for reducing screen time were passed to the students.
