Report of the Invited lecture on ‘Research and Conservation; A Practical Approach’ held on 15th November 2023

The programme started at 10.00 am with prayer, followed by the welcome Speech by Dr. Kavitha C H, Head, Department of Botany. The principal of the college, Dr. Nisha Thomas, delivered the Inaugural Address. Mr. Jerry C Jacson, IQAC Coordinator delivered a felicitation followed by the Invited lecture by Dr. A. K. Sreekala, Principal Scientist (Rtd.), JNTNBGRI, Trivandrum. She explained the Practical approaches for the conservation of plants by understanding their reproductive characteristics. “The reproductive constraints if any, may be rectified in a conservational aspect by aiding appropriate technologies”, she added. After the invited lecture, a discussion and brainstorming session was also conducted. Mr. Jerry C Jacson enquired about the role of reproductive biology in conservation. Ms. Sneha Chandran enquired on the balsams of Kerala, their habitat and location. The programme came to an end with a vote of thanks by Dr. Anoosh Varghese, Co-Ordinator of the programme by 01.30 pm. A total of 66 students from the Department of Botany and four staffs attended the programme.
