Report on Seminar and Invited Talk

The department of chemistry, St. John's College, Anchal organized a seminar on "**Smart Materials**". The programme was coordinated by Ms. Simi Saju, Assistant Professor & HoD, Department of Chemistry, St. John's College, Anchal with the support of other faculty members (Dr. Thomas Mathew, Dr. Jinu M. John and Dr. Arun P.S) in the department of chemistry, St. John's College, Anchal. The programme was started with a prayer song followed by the formal welcome by Dr. Thomas Mathew, HOD, Department of Chemistry, St. John's College, Anchal and he introduced the Chief Guest to the gathering. Rev. Fr. Johnson G, Principal, St. John's College delivered presidential address to the gathering and inaugurated the function. The expert speaker was **Dr. K. G. Sreejalekshmi, Professor, Department of Chemistry, Indian Institute of Space Science and Technology (IIST), Thiruvananthapuram.** She presented different kinds of smart materials such as piezoelectric materials, electrochromic materials, photochromic materials, pH sensitive materials, dielectric materials, shape memory polymers etc. The Principal of St. John's College, Rev. Fr. Johnson G presented a memento to **Dr. K. G. Sreejalekshmi** as a token of appreciation. A total of 110 students were participated for the seminar. The programme ended with the vote of thanks by Ms. Simi Saju, Assistant professor, Department of Chemistry.
