SEMINAR NO: 18

NAME_OF THE DEPARTMENT: CHEMISTRY

TITLE OF THE SEMINAR: FUTURE MATERIALS FOR HYDROGEN PRODUCTION

DATE: 26-11-2020

Report on Seminar (online)

The department of chemistry, St. John's College, Anchal organized one day online seminar on **"Future Materials for Hydrogen Production**". The programme was coordinated by Dr. Arun P. S, Assistant Professor, Department of Chemistry, St. John's College, Anchal with the support of other faculty members (Dr. Thomas Mathew, Ms. Simi Saju, and Dr. Jinu M. John) in the department of chemistry, St. John's College, Anchal. The programme was started with a prayer song followed by the formal welcome by Dr. Thomas Mathew, HOD, Department of Chemistry, St. John's College, Anchal and he introduced the Chief Guest to the gathering. Rev. Fr. Johnson G, Principal, St. John's Collegeh delivered presidential address to the gathering and inaugurated the function. The expert speaker was **Dr. Ameen Sha M**, HOD, Department of Basic Science and Humanities, MACE, Thiruvananthapuram. He presented different kinds of materials and the emerging trends in Hydrogen (H₂) production by electrocatalytic and photocatalytic methods. The programme ended with the vote of thanks by Dr. Arun P. S, Assistant professor, Department of Chemistry.
