REPORT

Department of Commerce, St. John's College, Anchal has organized a webinar on 30th October at 11 Am onwards and the topic was 'ICT enabled learning methods for Commercial Education '. The core objective of the webinar was to make the participants understand the importance of ICT tools in delivering quality online education to the students particularly in extreme situations and crisis like COVID-19 pandemic. Considering the boom in online learning and education, having adequate knowledge of the tools of Information and Communication Technology can greatly enhance the learning process in future. The program was coordinated by Anu Varghese, (Asst. Prof, Dept of Commerce, St. John's College, Anchal). Programme convener, Bairy George, (HOD) and Principal, Fr. Johnson G also shared their ideas and thoughts. A total of 93 students were participated in this online webinar.
