## **Workshop on Machine Learning**

Department of Commerce, St. John's College, Anchal has conducted a workshop on " Machine learning for beginners" on 13<sup>th</sup> October 2022. This workshop has been efficiently carried forward by three vibrant personalities :-

1. Dr. Sheeba K., Post Doctoral fellow, Dept. Of Computational Biology and Bioinformatics, University of Kerala.
2. Mr. Vinod M. P., Research Scholar, Dept. Of Computational Biology and Bioinformatics, University of Kerala.
3. Mr. Mohan, Technical Associate, Dept. Of Computational Biology and Bioinformatics, University of Kerala.

The workshop started at 10:00 am. By Dr. Sheena K., in which clearly illustrated the topic, "Artificial intelligence and Machine Learning ". Then Mr. Vinod M.P. carried forward the workshop with the topic "Image identification during machine learning ", which was then followed by Neenu Mohan, who explained the "Application models". The session lasted for 3 hours. They carried out the session through a PPT so that the student could understand everything clearly and with much ease. It was an interactive session in which they also mentioned the importance of machine learning. Around 100 students were participated in the workshop. At the end of the session, every student found it worth attending the workshop as they were able to gain deeper information about Machine Learning. The programme concluded by proposing Vote of thanks.
