TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mrs. Kavitha G V has been working as Project Associate under my supervision in the Environmental Technology Division during the period 18th April 2022 to 31st March 2023. Mrs. Kavitha G V completed her Bachelor's degree in Chemistry from the University of Kerala in 2017 and Master's degree in Chemistry from the University of Kerala in 2019. During her tenure at ETD, she was associated with the project on wastewater treatment, physicochemical as well as microbiological analysis of water and wastewater samples required for various projects of the division and external samples. She has gained experience in the operation and maintenance of UV- visible spectrophotometer, Dynamic Olfactometer, Flame Photometer, Continuous Flow Analyzer, Potentiometric auto titrator, TOC analyzer etc. She has shown excellent skills in water and wastewater quality analysis, laboratory upkeep, preparation of chemical reagents and systematic recording of data in the log books. Her service was efficiently utilized for ensuring the stringent quality control requirements of ISO/IEC 17025: 2017 to obtain the NABL re-accreditation.

In addition, she was trained for microwave-assisted sample preparation for heavy metal analysis using ICP-MS for ayurvedic drugs and environmental samples. She has shown excellent analytical and technical skills throughout her stay at NIIST, which ensured the trouble-free operation of various analytical equipment.

Above all, Mrs. Kavitha G V is sincere, hardworking and gets along very well with her colleagues. I am sure that she will be an asset to any organization that she prefers to join and wish her all the very best in her future endeavors.
