

**SEMINAR: 48**

**NAME\_OF THE DEPARTMENT:** CHEMISTRY

**TITLE OF THE SEMINAR:** CAREER OPPORTUNITY IN THE DEPARTMENT OF ATOMIC ENERGY

**DATE:** 22-02-2023

The poster is for a seminar at St. John's College - Anchal, Research Department of Chemistry. It is in association with the Research and Publication Cell. The seminar is titled "CAREER OPPORTUNITY IN THE DEPARTMENT OF ATOMIC ENERGY" and is held on 22nd Feb 2023 at 10:30 am in Seminar Hall. The speaker is Sri. AFIJITH R. NAIR, Scientific Officer at the Indira Gandhi Centre for Atomic Research, Kalpakam. The program includes a Welcome Speech by Dr. Thoms Mathew, a Presidential Address by Dr. Cherian John (Principal), a Key Note Address by Sri. AFIJITH R. NAIR, and a Vote of Thanks by Dr. Niecy Elsa Mathews.

## Report on Seminar and Invited Talk

The department of chemistry, St. John's College, Anchal organized a seminar on "**Career Opportunity in the Department of Atomic Energy**". The seminar was organized in association with Research and Publication Cell. The entire programme was coordinated by Mrs. Simi Saju, Assistant Professor, Department of Chemistry, St. John's College, Anchal with the support of other faculty members (Dr. Thomas Mathew, Dr. Arun P.S, Dr. Niecy Elsa Mathews, Dr. Liji John, Dr. Vidya Vilas and Dr. Sharow Geeth Vincent) and research scholars (Mr. SivarajR and Mr. A. Anantha Krishnan) in the department of chemistry, St. John's College, Anchal. The programme was started with a prayer song followed by the formal welcome by Dr. Thomas Mathew, HOD, Department of Chemistry, St. John's College, Anchal and he introduced the Chief Guest to the gathering. Dr. Cherian John, Principal, St. John's College delivered presidential address to the gathering and inaugurated the function.

The expert speaker was **Mr. Nair Afijith Ravindranath**, Scientific Officer, Indira Gandhi Centre for Atomic Research, Kalpakam, Tamil Nadu, India, who is an expert in the field of material chemistry and electrochemical sensors and has authored more than 10 research articles to his credit. He presented the importance of atomic energy and the applications of nuclear science in diverse fields. He has mainly focused the opportunity for science students with chemistry and physics majors in pursuing a career at various Atomic energy departments in India. The interactive session conducted after the session made the programme much lively and creative. A total of 112 students were participated in the program. The principal of St. John's College, Dr. Cherian John presented a memento to **Mr. Nair Afijith Ravindranath** as a token of appreciation. The programme ended with the vote of thanks by Dr. Niecy Elsa Mathews, Assistant professor, Department of Chemistry.
