## COURSE SUMMARY REPORT

**2022-2023**

Name of Course	ADD-ON COURSE Cyber Law Essentials COM. A22.1
Course Duration	30 Hours
Department offering the Course	Department of Commerce
Faculty In Charge	Dr Anu Varghese
Number of Students Enrolled	25
Start Date & End Date	04/01/2023 to 19/03/2023

The Department of Commerce at St. John's College, Anchal, skillfully organized the add-on course "Cyber Law Essentials" (COM. A22.1) to provide students with a comprehensive understanding of cyber law, a vital facet of the digital age. This course delved into legal regulations and practices related to the internet, IT Act and provisions of Cyber Law.

Under the guidance of Dr. Anu Varghese, a faculty member in the Department of Commerce, the course was meticulously planned, covering various aspects of the IT Act, including sections on cyber law and cybercrimes. It extended over 30 hours, incorporating lectures, video sessions, and discussions to establish a strong foundation in cyber law.

Starting on January 4, 2023 and concluding on March 19, 2023, the course culminated in a comprehensive final exam, including written assessments, case studies, and practical exercises. Impressively, all students passed, reflecting their dedication and comprehension of the subject. Certificates were awarded to acknowledge their expertise in cyber law, offering essential insights for their academic journey at St. John's College, Anchal.

### Course Title: COM.A.22.1 Cyber Law Essentials Course

#### Description:

Cyber Law Essentials (COM.A.22.1) is an add-on course conducted by the Department of Commerce at St. John's College, Anchal. This course provides an in-depth understanding of the legal aspects and regulations pertaining to the digital realm, including the internet and information technology. Participants will gain insights into the legal framework governing cyberspace, addressing issues related to online transactions, data privacy, cybersecurity, intellectual property, and much more.

#### Course Objectives:

- Understand the fundamental concepts of cyber law and its significance in the digital age.
- Explore the legal framework governing cyberspace, including international and national regulations.
- Examine the legal implications of cybercrimes, cyberbullying, and online harassment.
- Comprehend the legal mechanisms for addressing cybersecurity challenges and breaches.
- Stay updated on recent developments and amendments in cyber laws.

#### **Course Outcomes: At the end of the course, students should be able to:**

- Understand and explain the core principles of cyber law and its applications.
- Identify and analyse legal issues in the digital realm, offering practical solutions.
- Recognize and address cybercrimes and cyberbullying within a legal framework.
- Develop a basic understanding of legal aspects of cybersecurity.

#### **Assessment and Certification:**

- **Written Examinations:** Participants will be assessed through written tests covering the theoretical knowledge acquired during the course.
