

COMMITTEE FOR SC/ST

Annual Report 2018-19

During the academic year 2018-2019, the SC/ST/OBC Cell of St. John's College successfully fulfilled its mandate of promoting inclusivity, providing academic support, and offering career guidance to students from marginalized backgrounds. Through a series of awareness programs, seminars, and workshops, we facilitated integration and participation while fostering a welcoming campus environment. Additionally, our efforts in academic assistance and counselling, alongside career guidance initiatives, ensured that SC/ST/OBC students received the necessary support to excel both academically and professionally. Cultural celebrations further enriched the college community, promoting cultural exchange and understanding. Notably, **we are pleased to report that no grievances were received from students**, reflecting the effectiveness of our proactive measures in creating a supportive atmosphere where every student feels valued and respected.
