Name of Course	CERTIFICATE COURSE AI Integrated English Language Acquisition for Specific Purposes
Course Code	EN. A. 003
Department offering the Course	Department of English
Course Duration	30 Hours
Faculty in Charge	Ms Lalitha Joseph
Number of students enrolled	491
Start Date & End Date	04/01/2021 to 15/03/2021

The certificate course in **AI Integrated English Language Acquisition for Specific Purposes (EN. A. 003)** was launched by the Department of English in January, 2021. The course had been designed to provide a simple medium for improved comprehension and communication of the English language to the participants, thereby enabling them to present themselves with confidence in job interviews and examinations. The 30 hour certificate course commenced on January 4, 2021 and was coordinated by course director Ms Lalitha Joseph. The sessions were held in online mode scheduled after their regular class timings on weekdays. The internal faculty advisors include Ms Rashmi S Pillai, Dr Sooraj Kumar, Ms Padma Chandran and Mr Arun M George. The evaluation was done on a the scale of 0-50. All students passed in the examination. Certificates were also provided to them after the successful completion of the course.

CERTIFICATE COURSE SYLLABUS

Course Title: EN. A. 003: AI Integrated English Language Acquisition for Specific Purposes

Course Overview:

This certificate course is designed to provide a simple medium for improved comprehension and communication of the English language to the participants, thereby enabling them to present themselves with confidence in job interviews and examinations. Through this course, students learn about the functional use of English language in the context of studying, listening, reading, speaking, and writing. The course will make use of Artificial Intelligence Applications, and Language Lab to improve the micro skills and macro skills of learning the language.

Course Objectives:

1. To provide engaging learning experiences to language learners.
2. To improve communication skills by offering instant feedback on pronunciation, grammar, vocabulary usage, and other language skills .
3. To develop confidence in participants to use English language in real-life situations.

Timeline for completion:

This course will be conducted in hybrid mode with a duration of 3 months for one academic year, covering 30 hours.

Target Group:

Under graduate BA English and Communicative English students of St John's College, Anchal.
