

Grievance Redressal Cell

Annual Report 2018- 19

During the academic year 2018-2019, the Grievance Redressal Cell of St. John's College successfully fulfilled its mandate of promoting inclusivity, providing academic support, and offering academic/career guidance to the students. Through a series of awareness programs, seminars, and workshops, we facilitated a welcoming campus environment. Additionally, our efforts in academic assistance and counselling, alongside career guidance initiatives, ensured that students received the necessary support to excel both academically and professionally. Cultural celebrations further enriched the college community, promoting cultural exchange and understanding. Notably, **we are pleased to report that no grievances were received from students**, reflecting the effectiveness of our proactive measures in creating a supportive atmosphere where every student feels valued and respected. Looking ahead, the committee remain committed to expanding our support systems, outreach efforts, and continuous evaluation to meet the evolving needs of our diverse student body.

Redressal cell initiatives in college play a crucial role in promoting equity, inclusion, and diversity within the academic community. The programs including targeted scholarship and financial aid schemes, mentorship opportunities, comprehensive academic support services like tutor ward system, Peer group/ study groups etc organised as part of grievance cell activities.
