INTERNSHIP CERTIFICATE

This is to certify that **Ms. Sruthi C P**, St John's College, Anchal has completed a fifteen-day long internship program in the Advanced Centre of Environmental Studies and Sustainable Development (ACCESSD), Mahatma Gandhi University, Kottayam, as a part of their MSc Environmental Science curriculum. During this tenure, she has acquired hands-on training in basic environmental research, laboratory management, scientific communication, presentation skills, data management, and report writing. She was also associated with the ongoing membrane research works of the Centre and successfully fabricated a Chitosan-based composite for removing dyes from wastewater. Besides, she has familiarized the application and operation of various laboratory equipment and instruments. Moreover, special practical training session in PCR application has also been received. During her internship with ACCESSD, she was found to be prompt, obedient, hardworking, and inquisitive.
