**Minority Cell Report**

**2019-2020**

The meeting held on August 20, 2019, focused on planning programs related to minority students, with the presence of the principal and minority cell convener. One of the agenda items discussed was the organization of awareness classes about scholarships and the functioning of the grievance cell specifically tailored for minority students. This initiative aimed to ensure that minority students are informed about available scholarships and the process to address any grievances they might encounter, thereby enhancing their access to resources and support within the institution for minority students. In the academic year 2019-2020, three students were selected for the C H Muhammed Koya Scholarship, each receiving an amount of Rs. 5,000. This scholarship aimed to provide financial assistance to deserving minority students, enabling them to pursue their education with greater ease.
