Minority Cell Report

2021-22

Date: 24 March 2022

The Minority Cell convened on 21 August 2021 to discuss and review the action plans implemented during the academic year 2021-22. A key focus of the meeting was to raise awareness among minority students regarding the various scholarships available to them.

Action Plans Implemented:

Conducted awareness classes specifically tailored for minority students to educate them about the range of scholarships accessible to them.

Collaborated with relevant stakeholders to disseminate information about scholarship opportunities through various channels, including emails, posters, and social media platforms.

Organized interactive sessions and workshops to guide minority students through the application process for scholarships, addressing any queries or concerns they may have had. The initiatives undertaken by the Minority Cell aimed to empower minority students by providing them with valuable information and resources to pursue their educational aspirations. By facilitating access to scholarships, the cell endeavoured to alleviate financial barriers and promote inclusivity within the academic community. Continuously update and disseminate information about available scholarships to ensure maximum participation and benefit. Regularly evaluate the effectiveness of awareness initiatives and solicit feedback from students to enhance future outreach efforts. The Minority Cell remains committed to supporting the academic and personal development of minority students and will continue to explore avenues for enhancing their educational opportunities.

The following are the teachers in charge of the Cell:

1. Ms Liji D (Convener)

Members:

1. Mr Arun M. George

2. Fr. Renji Manipampil

3. Dr Sunitha Grace Zacharia
