Decisions

1.11 Reaccreditation of the college.

1.11.1 The validity of the accreditation status of the college is up to 30/04/2020. The members deliberated on the existing status of the college in general, it was agreed upon to initiate the reaccreditation process and the Principal Rev. Fr. Johnson G. took up the responsibility to constitute a committee and prepare a plan of action.

2.11 Infrastructure augmentation.

2.11.2 Members pointed out the need for making modifications with regard to existing infrastructural facilities taking into consideration criteria put forward by Revised Accreditation Framework. The local manager presented a tentative plan of implementation and based on suggestions by members a decision was taken to utilize professional expertise for the purpose.

3.11 Alumni engagement

3.11.3 Members on the committee who represented the alumni pointed out that alumni associations could provide resources and perform a constructive and productive role in enhancing quality as well involving in student centric activities which would be an opportunity for providing students with greater avenues of growth. Faculty members in the committee welcomed the suggestion and the Principal agreed to entrust staff with the responsibility of creating a frame work for alumni and institution collaboration.

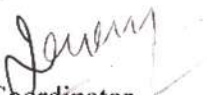

4.11 Incentives to outstanding students.

4.11.4 The initiative by the PTA of the college in the past few years with regard to providing awards and endowments to students was commended by all present. A suggestion was put forward on enhancing the amount provided as cash award and it was suggested

that facilities provided to students with regard to sports and games training be upgraded with outstanding performers being selected and provided with best facilities. The Principal agreed to meet the Director of Physical Education and take steps in this regard.

5.11 Support to financially backward student.

5.11.5 Committee members representing the local community put forward the plight of students suffering from financial backwardness. The Principal pointed out that programmes like noon meal programme and housing scheme were already in place providing support to poor students. The Principal upon direction from the management representative announced that a staff meeting would be convened for the purpose.
