The goal of the syllabus is to equip the students with the concepts, principles and methods of Statistics. It is aimed that students be acquainted with the applications of statistical methods to analyze data and draw inferences wherever the statistical decisions are meaningful. Emphasis is given to understand the basic concepts and data analysis tools. There are practical sessions in each semester. Numerical problems solving using scientific calculators is also included in the End Semester Examination (ESE) of Courses in the semesters I, II, III & IV. There is one course in practical using Excel in Semester IV. ESE of courses in semesters I, II, III, & IV will be of 3 hours duration and have questions from all modules in the respective semester.

Courses in semesters I & II will be of 2 credits each and in semesters III & IV, 3 credits each. The ESE of Practical course in semester IV will be of 2 hours duration with credit 4.

It is mandatory to submit a fair record of practical done (module V of courses in semesters I, II, III and IV) and print-out of the output of the same duly certified at the time of ESE of practical course. ESE of the practical course will be held under the supervision of external examiners duly appointed by the University.

FIRST DEGREE PROGRAMME UNDER CBCSS  
REVISED SCHEME AND SYLLABI FOR B.Sc. (Complementary) STATISTICS  
FOR PHYSICS CORE

The goal of the syllabus is that students understand statistics by using it effectively in real life situations. It is aimed that students have experience of the application of statistical methods to analyze data and get acquainted with situations where statistical thinking is helpful. Emphasis is given to practical-data collection and use of appropriate statistical tools to analyze them. There has to be lectures supported by problem sheets. There are practical sessions associated with each semester. Numerical problem solving using scientific calculators is also included in the ESE of Course I, II, III & IV. There is a component of one course in practical using Excel during Semester IV.

ESE of course I, II, III, & IV will be of 3 hours duration and have questions from all modules. Courses I & II will be of 2 credits each, III & IV will be of 3 credits each. The complementary course V viz., Practical using Excel in Semester IV will be of 2 hours duration of credit 4. Students are required to produce the fair record of practical done (module V of courses I, II, III and module IV of course IV) and print out of output of practical-course V of semester IV duly certified by the teacher concerned. Presenting the certified record is mandatory to appear for the practical examination. Complementary course V will be computer based, ESE will be held under the supervision of external examiners duly appointed by the University.
